Captain Bob Miller
United Airlines Phoenix Fantasy Flight
940 E. Desert Flower Lane
Chandler, AZ 85048

Dear Captain Miller,

I would like to offer my wholehearted thanks and appreciation to you, First-Officer Kevin Arnold and the entire United Airlines Phoenix Fantasy Flight team for creating a wonderful Christmas experience for so many valley children. I was very touched to receive First-Officer Arnold's invitation to join the December 6, 2013 Fantasy Flight. Were it not for my previous scheduled commitments, I would be there.

Captain Miller, the Phoenix Fantasy Flight Program has done so much for underprivileged young children since 1996, and I am delighted to know that you will be inspiring a new group of children this year. I hope that you will extend my deepest admiration to everyone involved in this year's flight to "Santa's Village." Now more than ever, under-served children and families need to know that people care about them, especially at Christmas time. The Fantasy Flight Program does this and much more.

It is my honor to be a voice for you and your family in Congress, and I hope that you will reach out to me if there is any way that my office or I can assist the Phoenix Fantasy Flight in the days ahead. I also encourage you to keep me apprised of your work with United Airlines. United is an important legacy airline and its future welfare and prosperity is important to us all.

Thank you for creating this unique and heartwarming program.

Sincerely,

Kyrsten Sinema
